Post Racing Incentive Program

How It Works:

Participating associations promote and host recognized events. Competitors using horses which have previously raced in Ontario Quarter Horse races at Ajax Downs can earn points in recognized events and become eligible to receive a share of the Program's

\$20,000 Post Racing Bonus!

The Post Racing Bonus is attached to performance and participation in horse sports, particularly speed events such as barrel racing and pole bending.

The Post Racing Incentive Program is part of the Quarter Horse Racing Industry Development Program, administered by Ontario Racing. The Program Administrator reserves the right to alter the Post Racing Incentive Program including the Post Racing Bonus Program criteria for future years.

How to Participate:

It is the owner – as declared on the Certificate of Registration for the horse – who benefits from the Bonus and it is the owner's responsibility to provide accurate reporting of the horse's performance and documentation to prove that the horse is eligible. Owners of an eligible horse must apply annually and provide supporting documentation by **November 20th**.

Application forms are available online at www.ontarioracing.com from the Breeding Programs (Quarter Horse) page, or by contacting the Program Administrator.

A copy of the horse's AQHA Certificate of Registration that indicates the current owner-of-record (this is the person who will be paid) and also evidence that the horse has raced in Quarter Horse racing in Ontario from AQHA records and/or official race records from Ajax Downs (formerly Picov Downs) must accompany the application form.
